Sierra Madre, California

Wed. P.M. Aug 5<sup>th</sup>  
Dearest Sis in Fols, your  
birthday pkg arrived about  
10:00 AM today. I was down  
in the basement laundry when  
Muffin barked long & loud & it  
was the postman. The laundry  
room is almost under us:  
convenient, but we get all the  
odors, so our apt. stinks most  
of the time. Just opened it to  
see it was "perishable", but  
haven't unwrapped the gifts  
ypt. Coop goes down "the  
chain" tomorrow until Sun.  
nite, so I'll have my birth-  
day gifts by myself, & the  
Army Maj. & wife have in-  
vited me to their quarters for  
Fri. nite dinner. Wea. cool &  
cloudy. Wish it would rain more.  
Love to all, Muffin, Nya & Ike
